

New Application Release Bulletin

Givex Gift & Loyalty Application

i5100

Ingenico's business development team has recently released our newest addition to the suite of Value-Added Applications. We are proud to announce that the Givex gift & loyalty application is now class "A" certified, making Givex the newest partner in our Value-Added Program. This application allows our i5100 terminal to carry out transactions involving Givex gift and/or loyalty cards.

Users will be able to accept Givex gift cards as an alternate payment method.

Users can also issue and redeem points for Givex loyalty programs.

Terminal Types:

- i5100

Application Specifics:

- Application Version: 3.01
- Communications Supported: Dial & IP
