

# New Application Release Bulletin

---

## IngeCheck CrossCheck Application

i5100

i7780

Aqua

Our Value Add team has recently released our newest addition to the suite of Value Add Applications. We are proud to announce that Ingenico has received a Class “A” certification letter from CrossCheck, Inc. on June 30, 2009, allowing our iSeries terminals to transmit check authorization messages to their check host. This application supports the ability to upload stored check images to their image repository for archiving images.

This application supports both Dial and Ethernet connectivity. Configuration parameters specify the communication type and dial backup capability.

### Terminal Types:

- iSeries 5100
- iSeries 7780
- Aqua 50

### Peripherals:

- Ingenico e<sup>N</sup>-Check 2500
- Magtek Mini MICR
- Magtek MICR Image (Both Dial and IP)
- RDM EC6000i

### Application Specifics:

- Application Version: 3.06
- Part Number: 0074-07512-0306
- Communications Supported: Dial & IP
