

## New Application Release Bulletin

---

### Opticard Gift & Loyalty Application

Ingenico's business development team has recently released our newest addition to the suite of Value-Added Applications. We are proud to announce that the Opticard Card gift & loyalty application is now class "A" certified, making Opticard the newest partner in our Value-Added Program. This application allows our i5100, i5310, i7780 and Aqua 50 and terminals to carry out transactions involving Opticard gift and/or loyalty cards.

i5100

i7780

Aqua

i5310

#### Unique Feature:

This application supports Opticard's unique system that allows one card to support multiple gift and loyalty programs.

#### Terminal Types:

- i5100
- i7780
- Aqua 50
- i5310 (Canada only)

#### Application Specifics:

- Application Version: 3.06
- Communications Supported: Dial & IP
