

New Application Release Bulletin

TenderCard Gift & Loyalty Application

Our Value Add team has recently released our newest addition to the suite of Value Add Applications. We are proud to announce that Ingenico has received a Class "A" certification letter from TenderCard on May 20, 2009 allowing our iSeries terminals to transmit gift and loyalty authorization messages to the TenderCard host. This is a TenderCard application that has been certified to meet the requirements of TenderCard's Terminal Application Specification.

i5100
