

New Application Release Bulletin

Valutec Gift & Loyalty Application

i5100

Our Value Add team has recently released our newest addition to the suite of Value Add Applications. We are proud to announce that Ingenico has received a Class “A” certification letter from Valutec Card Solutions on July 31, 2008 allowing our iSeries terminals to transmit check authorization messages to the Valutec host. This is a Gift & Loyalty application that has been certified to meet the requirements of Valutec’s Terminal Application Specification.

Terminal Types:

- iSeries 5100
- iSeries 7780
- Aqua 50

i7780

Application Specifics:

- Application Version: 3.02
- Part Number: 0074-07347-0302
