

New Application Release Bulletin

World Gift Card Gift & Loyalty Application

i5100

Ingenico's business development team has recently released our newest addition to the suite of Value-Added Applications. We are proud to announce that the World Gift Card gift & loyalty application is now class "A" certified, making World Gift Card the newest partner in our Value-Added Program. This application allows our i5100 and i5310 terminals to carry out transactions involving World Gift Card gift and/or loyalty cards.

Users will be able to accept World Gift Card gift cards as an alternate payment method.

Users can also issue and redeem points for World Gift Card loyalty programs.
