

Model **PM30**

The PM30 is a kit designed for a front counter application for the Ingenico i3070.

It consists of a thick, 6' black straight cable and i3070 clip with screws. The other end is fastened by a mounting clip to an interior surface.

A PM314 - i3070 pocket provides a "home" for the PIN pad when not in use.

All associated hardware is included complete in a polybag.

Designed for the Ingenico i3070
