

Model **PM5291PC**

The PM5291PC provides 4 1/2" pole height, 180 degrees of rotation and the PIN pad is removable. The PIN pad is secured with a black 4' coil cable. Double-sided tape on the base eliminates the need to drill counter-mounting holes. For extra security, 4 screws are available for mounting. The coil cable allows for removal and replacement of the PIN pad to serve the physically challenged.

Designed for the Ingenico i3070
