

Model **PM576-6**

The PM576-6 is a 6'-0" x 3/4" ballistic nylon strap with airline cable that provides increased cutting resistance. This product is ideal for front counter and drive-through applications.

The strap provides 7 rubber keepers to secure the ML30 data cable.

The "clip" is attached to the ML30 and includes a "security cover" for added protection.

The wall mounted pocket secures the end of the strap and provides a "home" when the PIN pad is not in use.

Product is complete with wall anchors and screws.
