

Model **PM590**

The PM590 "Pick-Up" all metal secure stand offers excellent stability and ease for use for customers.

The stand may be used in-place or customers may "pick-up" the stand for "PIN" protection.

The stand is also available with a coil cable (PM590CC) for added security.

A cost saving feature provides for the top plate replacement. It is separate and can be changed should the PIN pad be replaced.

Specifications:

Material:

Cold rolled steel with black sandtex powder coat finish.

Stand footprint:

3 ½" width x 6 ½" length x 5 ½" height.

Viewing Angle:

15°
